The mall has also installed EV charging points to support sustainable transportation and FASTag-enabled boom barriers to provide seamless and automated parking access for a efficient parking experience. Its website provides real-time information about mall events, exclusive offers, and helps shoppers navigate the mall with ease, said Rima Kirtikar, chief marketing officer, Runwal. In addition, the mall has introduced interactive directories to assist its customers in locating stores, amenities and services swiftly.

Research from Accenture has found that over half of the consumers will divulge personal information if it means they get a more customised offer. Delaporte's successor, Srinivas Pallia, a veteran of 32 years at Wipro, was in April appointed with an annual remuneration package of approximately ₹50 crore, the second-highest among CEOs in the Indian IT industry for FY25. Infosys CEO Salil Parekh received ₹56 crore, and CVijayakumar of HCLTech earned ₹28.4 crore in the previous fiscal.

Govt's borrowing plan may not change

"WITH THE PICK up in the government spending, seasonal reduction in currency in circulation and anticipated inflows on account of index flows over coming months, the outlook on liquidity dynamics improves materi-
